• The meeting minutes of 22 September 2015 were approved.

3. Topics for information

• Report of the CEO
  
  ○ Financials

Gerard Hartsink – Chair GLEIF
Thomas Sprecher – Secretary of the Board
The CEO reviewed the interim statement explaining the trends in expenses and revenues. The expectations on the timing of hiring were reviewed. A Director asked for an update on the Hessian subsidy fulfillment for 2015 and expectations for 2016. It was noted that, in consultation with the Audit and Finance Committee, the reporting format would change. This would occur in 2016. A Director asked that in the interim certain key performance indicators (KPIs) be identified and reported.

- **Consultations**

  **Direct and Ultimate Parents:** The CEO provided an update on the collaboration between the ROC CES (advisory committee on standards of the ROC) and the expectation for a joint recommendation to the ROC’s level 2 task force. There is not enough detail yet to consider the GLEIF’s budget impact.

  **Branches:** It was noted that the LEI ROC had published its consultation on branches on 19 October 2015. The TOPS Chair, Jeff Braswell, provided an overview of the recent TOPS committee discussion relative to the fact that a jurisdiction could have more than 1 foreign branch of a legal entity established in another jurisdiction.

  **Individuals:** It was noted that the LEI ROC had published on 30 September 2015 its final Statement on Individuals Acting in a Business Capacity. The TOPS Chair, Jeff Braswell, provided the TOPS committee discussion on liability concerns of having individuals’ data in the global LEI repository.

  **UTI:** The GLEIF response to the CPMI-IOSCO consultation on the Unique Transaction Identifier was noted.

  **Other CPMI-IOSCO consultations:** The CEO noted a response was being prepared to the CPMI-IOSCO consultation paper focusing on key OTC derivatives data elements, 1st batch.

- **Operations Update**

  **Standards:** The ISO/TC 68 ballot for the first review and commenting on the new Entity Legal Forms was discussed. The GLEIF will review the draft of the standard in its role as liaison member to ISO/TC 68. The standard proposes that a repository of codes and data records be managed and maintained by an entity called an ISO Maintenance Agency (MA). GLEIF has indicated to the ISO working group that GLEIF would be interested in applying to become the MA for this standard. A ROC
Observer asked for GLEIF to provide further details on how the ROC would be consulted on this decision.

Business Register: The CEO informed that an update on the Business Register code list would be provided subsequent to the meeting.

Business Operations: An update on the status of Accreditation applications was provided.

Communications: The recent activities relative to public announcements and social media activity was noted. Board members were encouraged to review the upcoming Media Monitoring report for details on the press coverage relative to the LEI Search functionality.

Service Management: The CEO noted the importance of the Service Management methodology and progress on this implementation. The social media process and accreditation process implementation are now complete.

IT: The Directors shared positive feedback received from colleagues on the new LEI Search functionality. The CEO noted that the organization would be monitoring website traffic statistics for usage.

Facility Management: The upcoming office move was noted.

HR: The Board was informed on the recent employment decisions and on progress on the vacancies.
