

Response of the Global Legal Entity Identifier Foundation (GLEIF) to the request for feedback on REGULATION (EU) [2018/[XX*]] OF THE EUROPEAN CENTRAL BANK of [date Month 2018] amending Regulation (EU) No 1333/2014 concerning statistics on the money markets (ECB/2018/XX*)

August 2018

The Global Legal Entity Identifier Foundation (GLEIF) is pleased to provide comments to the request for feedback on REGULATION (EU) [2018/[XX*]] OF THE EUROPEAN CENTRAL BANK of [date Month 2018] amending Regulation (EU) No 1333/2014 concerning statistics on the money markets (ECB/2018/XX*). GLEIF will focus its comments on the use of the Legal Entity Identifier (LEI) in the proposed amended regulation.

GLEIF is pleased to see that the ECB proposes to introduce the LEI in data collection for Money Market Statistical Reporting. GLEIF recognizes the strong support of the ECB to work toward extended inclusion of the LEI as a mandatory element in reporting in the European Union.

GLEIF hopes that the ECB, the reporting entities for MMSR and the users of MMSR data will derive the anticipated benefits of including the LEI when available in the data collection of statistics for the money markets.
