Accreditation Documentation Checklist

Read-only Document

Applicants and Candidates: This document may be used to facilitate the drafting of responses to this Checklist. Formal responses must be submitted through the SurveyMonkey form provided by the GLEIF Accreditation Team.

A Contact Details 3

B Entity Structure 4

C Organization Structure 8

D Financial Data, Audits & General Governance 9

E Cost Recovery Requirements 10

F LOU Services 11

G Required Website Items 15

H Records Management 16

I Software Development 17

J Networks & Infrastructure 17

K IT Security & Compliance 18

L Data Quality Management 19

Checklist Instructions

Sections A, B, and C (Questions 1-3) must be completed and submitted as part of the Accreditation Plan. Sections D through L and the remaining questions from Section C are to be completed and submitted after the Accreditation Plan has been agreed with GLEIF and the Master Agreement has been fully executed.

Please note:

This version of the Accreditation Checklist should be used by all Applicants and Candidates after 31 May 2021 for Accreditation and Annual Accreditation Verification when instructed.

Any prior versions of the Accreditation Checklist will no longer be utilized nor accepted by GLEIF. This document is posted to the GLEIF website for public use and downloading.

All questions as applicable consider and address both Level 1 and Level 2 data requirements. The Applicants/Candidates need to ensure this factor is incorporated into all responses.

Please provide Information related to Parent/Owner and/or LEI Operations as noted

> Required Documentation to be Submitted with Accreditation Plan

D Financial Data, Audits & General Governance

Legal Name of Candidate LOU

Financial Data, Audits & General Governance

Type of Document	Xref to Docs Provided	Yes	No	N/A	Additional Documentation Requested
	Please cite document and page #	Please check one			
1. General Questions – Going Concern – Parent and LOU					
1.1 Has an independent audit of your financial statements been performed for your last completed fiscal year?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Audited financial statements (income statement, balance sheet, cash flows statement) for prior year If your organization does not have audited statements, please provide your prior and current financials as maintained. Please explain how these statements are validated and reported.
1.2 Has your audit firm/government regulatory agencies issued any management letters relating to LEI operations over the past three years? – This would include commentary relating to internal controls, accounting controls and methods of procedures.		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Final Management Letters with management responses as applicable.
1.3 Do you have an internal audit function?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
1.3.1 Have they performed any audits within your organization relating to LEI operations?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant issued internal audit reports which relate to LEI operations in the past 2 years Please include management responses.
1.4 Have you been subject to any regulatory audits/reviews in your current year’s operations?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant comment letters, audit reports (qualified and unqualified opinions) and management responses as applicable
1.5 Do you have a formal LEI Operations Budget for this year and next year’s operations?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide budgets as per GLEIF instructions and explain financial assumptions, volume estimations, operating budget, expenses etc. – soft copies should be submitted wherever possible.
2. General Questions – Going Concern – Parent and LOU					
2.1 Are third party services (e. g. augmented staff, cloud services, data centers) utilized in order to provide LEI services?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Summary of vendor contracts and detailed description of services provided; copies of contracts may be requested
2.2 Do you have intellectual property and/or proprietary methods/ systems which are employed in the delivery of LEI services?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Provide a description of the asset and its use with respect to LEI services
2.3 Are you currently involved with any litigation matters which could effect LEI services?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Provide a summary of all relevant litigation, arbitration, claims and proceedings
2.4 Are you subject to regulatory compliance requirements which could effect LEI operations?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please list all relevant governmental regulatory agencies and the applicable regulations with respect of LEI activities

Please provide Information related to Parent/Owner and/or LEI Operations as noted

> Required Documentation to be Submitted with Checklist Responses

E Cost Recovery Requirements

Legal Name of Candidate LOU

Cost Recovery Requirements

Type of Document	Xref to Docs Provided	Yes	No	N/A	Additional Documentation Requested
	Please cite document and page #	Please check one			
1. Do you clearly understand the technical requirements of the Cost Recovery Principle?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please summarize any actual or contemplated changes to the GLEIF-approved Plan since the date of Master Agreement signing.
2. Do you confirm that the LOU business operations will comply with the Cost Recovery Principle at and after accreditation?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please summarize any actual or contemplated changes to the GLEIF-approved Plan since the date of Master Agreement signing.
3. Do you confirm that the LOU business operations will comply with the Cost Recovery Principle at and after		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please summarize any actual or contemplated changes to the GLEIF-approved Plan since the date of Master Agreement signing.
4. Do you clearly understand the requirements of the annual verification process and the independent cost recovery audit?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please summarize any actual or contemplated changes to the GLEIF-approved Plan since the date of Master Agreement signing.
5. Please confirm that your budget information as submitted conforms to the following definitions: Direct Cost: Specially allocable to a particular business that can be accurately and clearly traced, with little effort, to said business activity, including intercompany transfer fees based on "arm's lengths" terms and fees paid to third party service providers assisting the performance of Services agreed in the Service Level Agreement (Appendix 06). Only the services mentioned in the above definition should be considered to be the cost objects for the purpose of calculating direct costs.		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Types of Direct Cost:					
Dedicated LOU Personnel costs: e.g. salary overtime, recruitment costs, Travel, Training		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Dedicated LOU Resources: e.g. IT hardware/software/ supplies, telephone/internet, stationary & postage.		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Dedicated LOU Support: e.g. Marketing, monitoring, legal, audit costs, GLEIF fees.		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	

A Candidate LOU must submit three-years operating budget information in Excel format for Cost Recovery review by GLEIF. A specific definition of each cost category and its relevance to LEI operations must be included.

Please provide detailed (line by line) disclosure of DIRECT COSTS (defined above) that can be specifically allocated to the Services outlined in Section F of this document.

It needs to be clearly demonstrated that these costs are direct costs as defined.

Please note the following:

- ❗ **Do not** include any indirect/overhead costs as part of LEI direct costs. This includes costs such as general administrative functions and management time. The overarching 100 % uplift factor is applied to compensation for these costs.
- ❗ For costs relating to intercompany transfer fees and fees paid to third party service providers, please provide detailed cost information by service and provider separately from the Direct Cost data. **Do not** include these costs in the LEI direct costs data.
- ❗ All data provided is subject to inquiry and/or audit at GLEIF's discretion.

Please provide Information related to Parent/Owner and/or LEI Operations as noted

> Required Documentation to be Submitted with Checklist Responses

H Records Management

Legal Name of Candidate LOU

Records Management

Type of Document	Xref to Docs Provided	Yes	No	N/A	Additional Documentation Requested
	Please cite document and page #	Please check one			
1. Do you maintain a complete audit trail in compliance with ISO 17442 data attributions and other Common Data File format elements (Level 1 business card data and Level 2 relationship data) for all actions affecting the content or status of LEI records?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative and copies of all relevant policies
2. Is a particular function responsible for all aspects of record retention as per your established internal policies? What is your testing process and periodicity?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative and copies of all relevant policies
3. Do you process paper records? If yes, are there specific retention policies regarding this?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative and copies of all relevant policies
4. Is periodic training provided to all relevant personnel (including employees, contractors and temporary staff) to make them aware of your Records Management procedures?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative and copies of all relevant policies
5. Do you create and maintain an internal list/index of relevant records and/or storage archives which includes information relating to Retention Periods and is it periodically updated?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative and copies of all relevant policies
6. Do you ensure indexing, scanning, retrieval, storage and destruction processes are documented, communicated, and tested at least annually?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative and copies of all relevant policies
7. Do your historical records include:		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
7.1 All LEI data elements (Level 1 business card data and Level 2 relationship data) for the current LEI and all of its associated changes?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative and copies of all relevant policies
7.1.1 If yes, do the records include: - Effective date of any change(s) - The entity responsible for the change(s) - The reason for each change(s) - Who performed the change(s) - Who authorized the change(s)		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative and copies of all relevant policies
7.2 Identification of Data Sources for each issuance/change?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative and copies of all relevant policies
8. Do you ensure access to relevant records is restricted to only those employees who are appropriately authorized and need access to perform their duties?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative and copies of all relevant policies
9. Do you ensure control procedures relating to the physical and environmental protection of relevant records, including archived data is in place and functioning properly?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative and copies of all relevant policies
10. Do you ensure relevant records are only destroyed in compliance with your procedures and any local or legal requirements?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative and copies of all relevant policies

Please provide Information related to Parent/Owner and/or LEI Operations as noted

I Software Development | J Networks & Infrastructure

Legal Name of Candidate LOU

Software Development

Type of Document	Xref to Docs Provided	Yes	No	N/A	Additional Documentation Requested
	Please cite document and page #	Please check one			
1. Do you have a document which describes the software development tools and environment in place for the LEI operation?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents
2. Do you have a formal process for developing and approving new software?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents
3. Do you have any outsourced software development arrangements relating LEI operations?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents
4. Do you have a process in place for identifying, tracking and correcting software errors / bugs?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents
5. Do you have standard IT service management processes in place? Please provide evidence that these are followed and maintained as needed. This would include a patching process and upgrade/ update policies and procedures.		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents

Networks & Infrastructure

Type of Document	Xref to Docs Provided	Yes	No	N/A	Additional Documentation Requested
	Please cite document and page #	Please check one			
1. Please provide a network diagram showing network entry points, firewalls, servers etc..		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents and technical diagrams
2. Please describe the current server/hosting environment? Is it hosted, in-house, via a third party, etc.? Describe the use of any cloud-based resources such as Amazon Web Services or Microsoft Azure.		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents and technical diagrams
3. Do you perform any monitoring over the LEI-related IT infrastructure?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents and technical diagrams
4. Are there any redundancies built into the hosting platform and hardware?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents and technical diagrams
5. Has there been any unscheduled network or system downtime in the past twelve months?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents and technical diagrams
6. Do you have a current disaster recovery and/or business continuity plan in place? How often is it tested? Has the plan been invoked during the past 3 operating years?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents, results of last testing cycle and summary of any incidents
7. Do you have structured backup policies and practices?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents

Please provide Information related to Parent/Owner and/or LEI Operations as noted

K IT Security & Compliance

Legal Name of Candidate LOU

Security & Compliance

Type of Document	Xref to Docs Provided	Yes	No	N/A	Additional Documentation Requested
	Please cite document and page #	Please check one			
1. Have you performed or engaged a third party to test system vulnerability, intrusion detection or perform penetration testing? Please list all vendors as applicable.		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents and most current reports
2. Do you maintain firewall(s)?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents and technical diagrams; please describe its purpose and your monitoring procedures.
3. Is access to source code and other critical resources (documents, contracts etc.) monitored and tracked?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents and technical diagrams
4. Are there any users that are not subject to the standard security policies of the Company/Business Unit/Department?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents and list of exceptions
5. Are there non-employees who have access to critical company information (source code, documentation etc.)?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents and list of exceptions
6. Are terminated employees/contractors removed from access to LOU systems/resources in a timely manner?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents and technical diagrams
7. Do you have password policies for the networks and systems, including length and complexity, and any expiration policies?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents, technical diagrams and most current reports
8. Do you have procedures in place to identify, report and remediate any security breaches?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents, technical diagrams and most current reports
9. Do you have any physical access restrictions to critical company assets such as servers and data?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents, technical diagrams and most current reports
10. Have you had any IT operational or security audits (i. e. SSAE 16, SAS70) performed in the past three years?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents and results of last testing cycle
11. Have you had any LEI-related security breaches in the past five years?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents, technical diagrams and most current reports
12. Do you have your compliance activities in place to ensure compliance with respect to all applicable Data Privacy Laws?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Relevant process documents. Please specify which data privacy laws you are enforcing and confirm that you are meeting the requirements documented in Appendix 11 of the Master Agreement.

Please provide Information related to Parent/Owner and/or LEI Operations as noted

L Data Quality Management

Legal Name of Candidate LOU

Data Quality Management

Type of Document	Xref to Docs Provided	Yes	No	N/A	Additional Documentation Requested
	Please cite document and page #	Please check one			
1. General and Participation in Continuous Improvement					
1.1 Does your organization have a governance framework that enables it to adhere to GLEIS standards? If yes, please explain how this governance framework is structured.		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
1.2 Does your organization have a continuous improvement process for data quality in place? If yes, please explain what the process steps are.		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
1.3 Does your organization have a continuous improvement process for adapting to procedural changes as required for adjustments to ROC or GLEIF standard and operating principles? Please explain.		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
1.4 Does your organization have a defined implementation period expectation for different types of adjustments? Please explain.		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
2. Data Validation					
2.1 Do you have an established data library that defines proper values for fields entered in a LEI request?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative
2.2 Do you prevent unlikely or incorrect data in submissions of LEI requests?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative
2.3 Do you maintain procedures for :		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
2.3.1 Verifying the LE-RD based on the Legal Entity jurisdiction, entity category and legal form?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative
2.3.2 Ensuring an up-to-date list of authoritative sources used for verification is maintained, accessible and usable at all times with no restriction for all below services?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative including all points
a. Issue new LEI					
b. Enter Legal Entity Events					
c. Manage Challenges					
d. Transfer of LEIs and LE-RD					
e. Renewals of LEIs (incl. multiple-year renewal contracts)					
2.3.3 Do you have sufficient proficiency for understanding or interpreting authoritative sources?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please list all languages
2.3.4 Do you use other sources not listed in the GLEIF Registration Authorities list for verification/validation? If yes, please specify.		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
2.4 Do you have sufficient language proficiency in the jurisdictions you are applying for understanding and interpreting the following? If yes, please list all languages.		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
2.4.1 The information you receive from the legal entity?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
2.4.2 The information provided in the corresponding authoritative source for validation?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	

Please provide Information related to Parent/Owner and/or LEI Operations as noted

2.5 Do you have validation procedures in place for		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative including all points
2.5.1 Verifying that a Legal Entity is eligible for an LEI code?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
2.5.2 Provision of corresponding language tags for the set of specified fields?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
2.5.3 Incorporating Transliteration data for all below services?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
a. Issue new LEI					
b. Enter Legal Entity Events					
c. Manage Challenges					
d. Transfer of LEIs and LE-RD					
e. Renewals of LEIs (incl. multiple-year renewal contracts)					
2.5.4 Ensuring that LEIs are only issued when validation process is successfully completed?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
2.5.5 Verifying the LEI Record Set is compliant with the Common Data File (CDF) format (as published per www.gleif.org)		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
2.5.6 Ensuring a LEI complies with GLEIF Operational and Technical Standards (Data Quality Rule Setting) during all below services:		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
a. Issue new LEI					
b. Enter Legal Entity Events					
c. Manage Challenges					
d. Transfer of LEIs and LE-RD					
e. Renewals of LEIs (incl. multiple-year renewal contracts)					
2.5.7 Researching the content of the challenge and verifying the challenge via an authoritative data source? Please explain.		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
2.6 Do you comply with ISO 17442?		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Please provide a brief narrative.
