<p>Synopsis (max 1000 words)</p>	
<p>Methodology</p>	<p><i>Please outline your analytical approach, any specific scope of empirical analysis you intend to conduct or other relevant information concerning methodology.</i></p>
<p>Required inputs from GLEIF</p>	<p><i>Please indicate whether you require any specific technical inputs or collaboration with GLEIF to support your research or in the production of the paper.</i></p>

Are you open to collaborate with other authors?	If yes, please indicate what the relevant expertise you would seek from co-authors. Please indicate whether you agree to allow GLEIF to share your name and contact details with authors in this cohort, to facilitate exchange during drafting.
Other remarks	Is there anything else that you would like to bring to the attention of the reviewers? If so, please add here.
